Attention: Ron Wilkin

On behalf of everyone here at the shelter, particularly the women and children, I would like to extend our sincere gratitude for the support you have shown to the Central Alberta Women's Emergency Shelter.

CAWES provided safe refuge to 808 women and children in 2005. This was possible because of the generous support and commitment from the community, businesses and local groups such as your organization. We truly would not be able to provide the service we do without you.

Your recent donation of movie passes and phone cards is a tremendous help to us in providing support and much needed activities for the women and children. The importance of the "little things" like the ability to make long distance calls to friends and family and to take your children to a movie can not be undervalued, particularly with respect to helping ensure women and children regain some control and normalcy in their lives.

Once again, thank you for your generous donation and ongoing support of the shelter.

Sincerely,

Pat Hagemann
Executive Director
